President's Letter

Even though there are no community meetings the board is still doing a lot of work behind the scenes. We are still working on our monthly newsletter, building our membership and planning our Fall Festival. I'd like to thank all the residents that have shown their support of the community and the association. I'd also like to thank all the board members and volunteers that have been working to make us successful and keep our community a nice place to live. If anyone is interested in joining the Fall Festival Committee just let me know. I'd love to have your help and your ideas. I think things are really going well and we plan on only making them better. If interested in helping you can contact me Bernice via our website, www.myedgemere/millers_island_ca.htm or call (410) 522-0729.

Community Christmas Tree

Our community Christmas tree is finally here. It is approximately 4' tall, it is a slow grower therefore it will serve its purpose for many years to come. The tree is located at the tot-lot.

Revision of Current By-Laws

So everyone understands the process that will be followed to introduce the proposed revision of the current By-Laws, let me explain. In September we will read and discuss the proposed amended By-Laws. This will be our first reading. In October, we will read, discuss and possibly amend any of the proposed amended By-Laws. In November we will read, discuss and possible amend any of the proposed By-Laws and then have a final vote on the proposed By-Laws. Once voted and accepted the final draft will be written, typed, dated and available to all members and prospective members of the association.

SPRING FLING REVIEW.....

Well it finally was able to happen. The Spring Fling which was postponed due to the nasty four letter word we've all been saying lately, "RAIN" Was finally able to occur on 06/14/03. The sun came out, the burgers were cooking, and the sales were on. Everyone that participated had a good time. There was body painting for the kids, as well as a plant a seed project. The association signed up (7) new members, sold

some community merchandise and created a fun event for all. If you were not able to participate in this event don't miss out on the Fall Festival.

THE SUN CAME OUT AND SO DID THE RESIDENT'S. THE SPRING FLING WAS A SUCCESS.....
