JULY 2003

President's Letter

Just a couple of things to go over here. The first is we have no community meetings this month or next month, but you still will receive newsletters. However, during this time the board will still meet and work on the projects set forth. We will be working on the By-Laws, the standing water issues, and preparing for the Fall Festival. If during the summer months an issue arises please feel free to contact any of the directors or you can contact me Bernice via our website, www.myedgemere.millers_island_ca.htm or call (410) 522-0729.

Special Notice:

Septembers meeting will be the first reading of the proposed By-Laws. There will be a total of (3) readings, upon completion of the third reading there will be a discussion, revisions, and voting to adopt these By-Laws.

President Bernice Myer

HAPPY 4TH OF JULY

Have fun but keep safety first

- Remember Sparklers are the only legal fireworks in the state of Maryland
- Keep Fireworks in a closed box
- Follow the instructions on each firework
- Light all fireworks at arms length
- Stand well back
- Never go back to a lit firework
- Never put fireworks in your pocket
- Never throw fireworks
- Keep Pets indoors

Trash on Millers Island Rd.

I have not forgotten about this concern. I've made all the proper phone calls and I've made them a couple of times. Baltimore County has us on a list but advise that a special trip will not be made for Millers Island Rd. North Point State Park is aware of our concern and promises when the volunteer group is put together our road will then be cleaned. I've also inquired about the possibility of a Boy Scout Troop coming down to help us. They will be getting back in touch with me. So please be patient I am working on this concern.

Board of Directors:

Officers:

- President: Bernice Myer
- V. Pres: Kay Sessa
- Secretary: Bob Lynd
- Treasurer: Joan Durkin
- Sgt. At Arms: Frank Lampka

Board Members:

- Richard Kowalewski
- Heather Imirie
- Luke Reeder
- Allan Godlewski
- Fred Staigerwald

Special points of interest:

- Trash on Millers Island Rd.
- Drugs and our community.
- Slow down Children Signs
- Community Concerns

Community Concerns.....

Various concerns have been brought to my attention recently. In addition to the ones already mentioned. Some of these concerns are not new. Such as the speeding vehicles. You must slow down. Someone is going to get hurt, not to mention traffic enforcement subjecting any of

Us to moving violations. So just slow down.

The other issue is the dogs running freely throughout the community. Dogs must be leashed when being walked and when outside they are suppose to be confined to the owners property. Once again, please obey these responsible pet owner laws. Stray

cats have also been mentioned. These cats are around the Millers Island Blvd area. If you own or know who owns these cats please be advised the pet laws pertain to cats as well. Everyone is advised to be cautious of all animals roaming around our community.

Want a copy of the newsletter emailed to you? Just let me know, and I will add you to our e-mailer. This is just one more way we are attempting to keep you informed as to what is occurring in our community. If interested email me at our website, and I'll add you to the list..

Business

Card Book

Bring your business cards to the meeting and become part of the Millers Island Community Associations business source book. The service you need your neighbor may provide. This book is only used for and by community residents. Without the business cards I cannot have such a resource. Bring us your cards so this project can take off.

CALENDAR OF EVENTS

No Community Meetings for July or August.

09/02/03 @ 7:30 PM General Meeting Sparrows Point H.S.

Currently seeking volunteers for the upcoming Fall Festival. Last year was a great success and look for this year to be just as successful. The money raised from this event will be used towards this years Community Christmas Party.

Contact us if interested. www.myedgemere.com/millers_island_ca.htm

Drugs found here in our Community....

Usually most of us think the closest illegal drugs are going to get to us is probably the high school or maybe some weekend boat hero coming down to visit our community and party hardy. Well I'm here to alert you to the facts. The facts are Baltimore County Police Officer executed and search and seizure warrant for narcotics right here at a home located in our Community located here in Millers Island. Seized from the home was marijuana, crack cocaine and illegally obtained prescription pills. In addition to the seizure of this property two arrests were made.

That is as much detail as I will give about where and what was recovered. This is just a heads up to bring everyone back to earth that as much as Millers Island appears to be heaven to most of us. There are some that believe we will tolerate behavior such as narcotics in our community. This is one topic we must unite on and stand our ground. Talk to your kids because drugs is no joke. I'd also like to take this time to thank the Baltimore County Police Department for a job well done. Thanks for helping us to keep our community clean from narcotics.

LET'S MAKE THIS STATEMENT LOUD AND CLEAR..... MILLERS ISLAND IS A DRUG FREE ZONE.

Slow down Children at Play

I'd like to take this time to acknowledge the efforts of Danny and Sandy Meyer. Danny looked into what needed to be done to obtain the signs, he paid for them and he and his sons installed the signs. These efforts were made prior to my term in office, however, I'd like to thank the Meyer family for their contribution. The Meyer family donated a third slow down children sign to this association. However, Jim Gullivan of Baltimore Co. Traffic Engineer has put a work order in to install a Baltimore Co. Playground Sign on Millers Island Rd just before Bay Light Ave. He has also ordered a 25 mph sign that will be placed on Millers Island Rd at the Playground. I'd also like to thank the Lampka family for their donation of 2 slow down children signs. Everyone is really getting involved and this is what will make us, as a community successful. THANK YOU and let's keep up the good work.
