Letter From the President

I'd like to take this time to explain the purpose of the Millers Island Community Association Inc. Let me start by sharing our Mission Statement: The mission of the Millers Island Community Association is to support activities and organizations that promote the economic, social and environmental well being of Millers Island. This is our mission statement as displayed on our community website.

What do we do? We organize community parties, such as the Easter Egg Hunt and community Christmas party. We organize community dumpster day, and clean ups. We meet on a regular basis to discuss issues and ideas in improving our community. We have community merchandise, newsletters and attempt to keep you informed on issues involving our area. We are not a home owners association, we do not have or enforce covenants, we have no legal or enforcement powers and attempt to assist residents with issues by furnishing them contact information to agencies that can assist them. We are not code enforcement, community police or have the power to make people abide laws or county codes. Only Baltimore County government can enforce these types of issues. We can assist and direct.

Halloween Safety

Don't trick or treat alone, wear reflective tape or carry a flashlight. Stay to the side of the road and be mindful of vehicular traffic. Also, always let Mom and Dad or another grown up check out your treats before you dig in. Keep safe this Halloween and happy trick or treating.

New Community Merchandise

We are looking for ideas for new community merchandise. What would you be interested in purchasing. Some ideas have been mouse pads, coffee cups, t-shirts with new design and/or new colors. Demand will dictate the association pursuing these ideas. We also have some remaining sweat pants, sweatshirts, and t-shirts. All are light grey in color. We also have some of the cantaloupe color beach towels. Call Carter if interested in merchandise (410) 491-1805.

New Community Association Schedule

Make a note that our monthly general membership meetings have been scaled back to every other month. We realize that people are busy with work schedules, children's activities, and recreational programs for themselves, not to mention perhaps that much needed relaxation we all hope to achieve at the end of our day. So look for the meeting sign at the playground every other month, next meeting is Tuesday, November 14th. Also read the monthly newsletter to keep up to date on community topics and contact us with ideas, concerns etc.
