### Letter From the President

#### Happy Easter

This letter is dedicated to all the volunteers and board of directors. I spend a lot of energy and effort in motivating and informing you with our little monthly newsletter, however for this particular article I'd like to thank the many volunteers and board of directors for all their time and efforts. I can tell you that we work very hard for our community in planning events, organizing fundraisers, educating and protecting you about the issues that surround us. So for all of our volunteers that deliver our newsletters and flyers, our volunteers that volunteer for the many committees that we've created, donated baked goods, money, and participated in our community meetings, bringing ideas all positive to our community, I thank you. Our association and community is only as good as the people in it and I think we are doing a great job.

Bernice Myer                      President

### Krop's Korner

Warm weather is approaching and along with it comes Flim Flam and Home Improvement scams. Be wary of a good deal conducting business with contractors that you did not seek. Trust your instincts, never let a stranger into your house, always ask for a business card, a license contractor number and get the name on the vehicle and tag number. A legitimate contractor won't mind. Be safe.

## EASTER ON THE ISLAND.....

**Saturday, April 15, 06 @ 11:00 AM**  
**Millers Island Playground**

Bring some baskets, bags and a camera. We will have two separate age groups, 0-5, and 6-11. There will be 1st, 2nd and 3rd prize for each age group, and usually since the Easter Bunny can be quite impatient, he usually hops on by during our event to get a peek at all the Easter Eggs. I'd like to thank this years, chairperson, Cindi Hart for chairing this event, painting a beautiful

Easter Sign.

Due to limited space in parking if you can walk up to the playground that would be a great benefit to us as the playground tends to get very crowded.

Don't forget and we'll see you there.

### Millers Island Book Committee

I have very unfortunate news to report pertaining to the Millers Island Book Committee. It is unfortunate to report that the Millers Island Community Association has terminated the Millers Island Book Committee created by the association for the following reasons. Our book committee decided amongst itself to become what they refer to as a stand alone committee. The committee wished to remove the Millers Island Community Association from any and all correspondence generated by this committee. They also feel as though they do not have to confer with the association on decisions pertaining to the Millers Island Book, that the association named Millers Island then and now as told by the residents. The committee chairperson, Bonnie Methany also advised the association that the committee will decide on what community projects, events, or even if the Millers Island Community Association would receive any proceeds generated by what was a fund raiser created by the Millers Island Association, which she was to be the chairperson of. No organization, or association can have committees created by and through them, do whatever it is they choose with out discussion, approval etc. It is hereby the Millers Island Community Association's decision, to terminate this committee from our association. The Millers Island Community Association would also like to advise any resident that gave photographs, stories etc to this committee and now is displeased to learn that they are not working with the community association as a committee raising funds as a community fund raiser, and would like their items back is urged to contact Bonnie Methany, (410) 477-4675, email address [bonniemethany@comcast.net](mailto:bonniemethany@comcast.net). Also be advised that the Millers Island Community Association is not financially or legally responsible for the Millers Island Book Committee, it's members and/or their actions. I apologize for any confusion this may have caused, and to alleviate and further confusion, the Millers Island Community Association will not pursue our book idea, and we will come up with other ways to raise funds for our community.

### Dues are Due !

We are collected dues, they are \$5.00 per eligible member of your household. You must be 18 yrs old, a resident, property or business owner in the Millers Island Community. Dues can be mailed in at P.O. Box 266, Fort Howard, Md 21052-0266 or dropped off at 8922 Hinton Ave, or brought by a community meeting. Come on and join.

All committee chairs are requested at the next board meeting scheduled for 04/18/06 @ 7:00 PM location is 8922 Hinton Ave. Thank you in advance for your assistance on COMMUNITY projects.
