January 2006

Letter From the President

I'd like to take this time to wish all you and a very, happy, healthy and safe New Year. Let's all work together to make 2006 the most successful year of all. We have committees you can join, we have our monthly meetings you can attend, projects to work on and most of all fun to be had. So as you go through this year take a little time to participate in some of our community events. Our community is as nice as it is because of the people that live and work here. Our business are the best on the peninsula always there to give a helping hand, our residents pitch in and get things done and your association works very hard to keep things rolling along. So if you have any ideas and you'd like to assist us just give us a call. We are always here to listen and work with you. Remember, I've said this before, the most important word in community is UNITY. Be safe, be healthy, happy and prosperous this 2006 year.

Bernice Myer

- Letter from the President
- Committees for 2006
- Merchandise, what do you want?
- Millers Island Casino Night

Outreach Officer

Wayne

Kropfleder

Krop's Korner

Happy New Year and I hope this year of 2006 brings the Millers Island residents much happiness and safety. During this up-coming year remember safety and security, by doing this you can avoid many headaches. Be aware of your surroundings = safety, and always secure your home and cars = security. These two small things can help prevent you from being a victim of a crime.

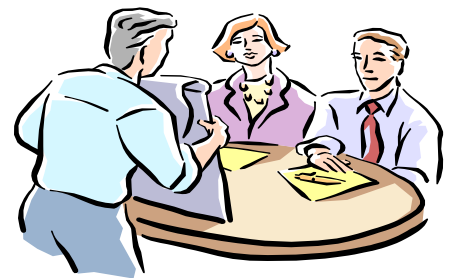

**Millers Island
Charity Casino Night
CANCELLED!**

The Millers Island Community Association regrettably reports that our first, Charity Casino Night to be held at the Dock of the Bay on 01/21/06 from 7PM—1AM has been cancelled. The Association and Dock of the Bay had met with the owner of Amusement Novelty, Mr. Vontran, and he was more than willing to assist us with this project, after legalities were reviewed, scheduling was verified and plans were made Mr. Vontran contacted Dock of the Bay and stated he would be unable to assist us with our project. It is unclear as to why he is unable to assist us, he just stated that he couldn't. This was just one way for our community to raise the funds needed for our multi-purpose court if approved by DNR and Baltimore County. When our projects get cancelled or blocked it doesn't hurt the Association or the Directors of the Association it hurts the community. When the Association can show good effort, and good cause then we've done our part, and rest assured your association always put 110% effort into whatever it is we do for you.

2006 Committees being formed.

If you look at our calendar of events on our website you can see how busy we can be this year. I say it like that because without you and without volunteers some of these events will have to be cancelled. There is a lot of work and planning in some of these events and like you we too have personal lives, families, jobs etc. So come on pitch in and help us to continue to bring nice family events to our residents. If interested in helping please contact me Bernice at (410) 978-1920 or email me at bc50@comcast.net. Some of the committees being formed are as follows. Easter Egg Hunt, Spring Fling, Edgemere Parade, National Night Out, Community Dumpster Day, Fall Festival, Community Christmas Party, Drainage, Multi-purpose court/Sports park, emergency respond team. These events and projects are important to our community so let's make an effort to keep things going.

The Association is also in need of a Secretary. So is you can spare two Tuesday nights a month and you can type the minutes of the meetings and membership records once a year, please contact me.

Merchandise, What do you want?

Would you like to see something new, a different color or a different design? We need to know. Our merchandise sales are our biggest fundraisers. However, we all can only have so many of the same designed t-shirts. We changed our beach towel from 2004, and we also changed the color. So let us know if you want different beach towels, different colors, etc. Merchandise can be expensive to purchase, in the hope to sell, and it can put a strain on our treasury. So we don't want to be wasteful and purchase items that you may not be interested in purchasing. So put your thinking caps on, submit a design, or item that we don't already have and we can look into the costs and sale ratios. Thanks in advance for the input.
