Message from President

New community message board to be installed in the playground. This project I hope to have complete within the next couple of weeks. As you know the association applied for a grant for this project last summer. The message board is two side and will be located just inside the entrance to the playground. The street side has community association information and the playground side has resident and business information. If you would like to post something on the message board please submit your request to the association by mailing it to our P.O. Box or drop it in the community box located at 8922 Hinton Ave on the outer shed wall. Your request will be considered by the board and you will be notified if your request is approved. Items to be approved are business cards, sale of items such as cars boats etc, lost pets and etc.

As for the community association side, This side will post the monthly newsletter, board of directors, yearly calendar, up-coming events, merchandise and community photos. Personal info will only remain on sign for one month. If you want your info to remain on the sign for a longer period of time please indicate that on your request and it will be considered based on demand. This message board is for all of us so there is no charge to post information. I hope we all can enjoy this new feature to our community.

The Association may be looking for some new board members. We are always looking for new people to step up and new ideas. If you think this person could be you please contact us. Some say it is a thankless job, the pay is terrible (like there is none) and you never make everyone happy. That is all true, but when you see one of your projects from conception to conclusion and you see that it was positive and appreciated being a volunteer may be the best job you ever had.

Allan Godlewski Terry Kline
Rich Kowalewski

Alternate Board Members

Bob Ward Sr. vacant

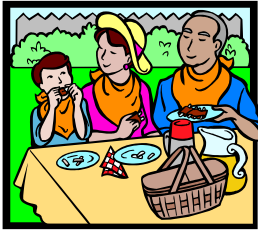

Topics in this issue:

- New Message Board
- Property Taxes a concern
- Items for the needy
- Community Day

PROPERTY TAX CONCERNS

Seems like this is becoming a big issue with all the rebuilding and repairing going on. Well instead of feeding on rumors I thought it would be a good idea to get the real answers from the real folks. So if you have property tax concerns please come to the community meeting scheduled for October 5th, 2004 @ 7:30 PM. A representative from Balto Co. Tax Assessment will be speaking to our group on this issue.

MILLERS ISLAND COMMUNITY DAY

What an event we have planned for you. Mark your calendars and don't forget, the event is scheduled for Saturday 09/25/04 from noon to 4:00 PM. There will be food, music, clowns, games, prizes, shows and fun to be had by all. All the elected officials from our area have been invited as well as Balto. Co. employees as a gesture of appreciation for their assistance to us in the wake of Tropical Storm Isabel. This will be a day of celebration, and appreciation. The event is for Millers Island residents only, so please bring verification of residency with you. Admission is free, however, there is a \$3.00 park entrance fee per car load. This is a park rule and has nothing to do with the Millers Island Community Association. Also all families are encouraged to bring their own picnic baskets, food will be given out while supplies last. Also there will be items for sale from various associations and organization to include the Millers Island Community Association. So come on out and support our community.

**Most Important
word in
community is
UNITY**

Help those in need... Kick-off

The Millers Island Community Association will be collecting non-perishable food items and new unwrapped toys. You can drop these items off at our Community meetings scheduled for September and October and at our Community Family Day on 09/25/04 noon to 4:00 PM. These items will be donated to families in need in our North Point area. Thanks in advance for your contributions.

Millers Island Students need service hours

If you need service hours please contact me, Bernice. I have some projects that I can always use some help with. The first project I could use your help with is Millers Island Community Day. Earn 8 hours of service hours in helping work at the community festival. Contact me at (410) 522-0729 or email rpo47@erols.com

Jlynd@comcast.net
We have shirts, beach towels and can koozies .

FLOOD INSURANCE ISSUES STILL BEING FOUGHT

I can tell you this has been and continues to be what appears to be a never-ending battle. Good thing about that statement is the battle is still on. We are still very much in the game. I'm still calling, faxing, meeting and fighting for us and just wanted to let you all know that. I went to Florida during the first week of September and learned that what happen to us is happening there. Isabel concerns have not been forgotten.
