President's Letter

There will be a lot going on at the next meeting in April. We will have our renewal of membership taking place as well as our welcoming of new members.

In addition to dues we will be discussing the Millers Island Family Day grant that I've applied for and discuss the particulars pertaining to this possible event.

Community clean up will also be discussed. The clean up of the community is everyone's responsibility. The Association can and will certainly assist in clean up efforts but keep in mind we all live here and we can all assist in cleaning and keeping our community clean. Also lets not forget there is still quite a few of us that are not home yet. We all are aware of the problems with that and I believe everyone is doing the best they can at this point. So be patient, I know our community is not as beautiful as it was prior to Isabel but we will get there. Let just work together and get it done as best we can.

We also have to go over our minutes and treasury report from February as this meeting was cancelled due to weather and March's meeting was cancelled due to primary elections. I look forward to seeing all of you in April.

Millers Island Family Day Poster Contest

Children of Millers Island your important and we need you. We need your help in advertising our Millers Island Family Day. We are planning a Millers Island Family Day for September 25, 2004 from the hours of 12:00 x 4:00 PM at the North Point State Park Pavilion. We the Association, the residents of Millers Island and your Moms and Dads hope you will help us. We would like you all to draw or paint Millers Island Family Day Posters. We will have a poster contest at the Tot-Lot date to be announced. Your posters will be displayed on the fence post at the tot lot on this date and be judged by a group of judges to be made up of community residents. The best three posters will be displayed at the event and on our own website. All other posters will be sprayed to be protected from the weather and displayed throughout the community for two weeks prior to the event. A flyer will be passed out closer to the time of this event. This is just a heads up to get you thinking about your poster. We really hope you can help us with this. Can't wait to see your posters.

Special points of interest:

- Up-coming poster contest
- Millers Island Dumpster Day changed to 04/03/04
- Community Easter Event at The Islander

Community Clean-Up Re-scheduled

Our dumpster day has been rescheduled again. This time due to Easter weekend. We are now moving our dumpster day to Saturday 04/03/04 it will still be at Walkers lot and the times are still 0800 x 4:00 PM. I apologize for any confusion. Remember flood debris only and this is for our residents. We are expecting volunteers to be supplied from Baltimore County and if that occurs we will use them to not only assist any residents needing assistance but we will also be asking the children volunteers to pick up any trash along the roadside. Light refreshments will be at Walkers for all volunteers.

BALTIMORE COMMUNITY FOUNDATION

I've applied for another grant for our community. This grant was submitted on 03/01/04 and it is offered from the Baltimore Community Foundation organization. The grant I've requested is for our Millers Island Family Day. I will not know if the grant is approved until June 2004. If the grant is approved we will have one heck of a family day. It will be held at the North Point State Park at the pavilion. There will be a \$3.00 per car honor system fee. This is something the state park is requiring. There will be no fee to attend the function and the food will be free. I am currently working on the entertainment, clowns, a D.J. Balto Co. Police K-9 demonstration and a 2 hour show provided by Scales and Tails. As well as games for both the children and the adults. It will be a great time. I'll keep you posted as to the outcome of the grant and the outcome and further details of our Community Family Day.

Any Problems, Concerns or Ideas.....

Hey, if you have any problems, concerns or ideas pertaining to our community please let us know. Feel free to leave your thoughts in a community mail box located at 8922 Hinton Ave. The mailbox is attached to the outer, street side wall of my shed. It has M.I.C.A community written on it. Plus you are always invited to our community meetings and all input is always encouraged. Remember the Association addresses community issues, not personal disputes or pet peeves. Plus we are always interested in ideas and suggestions for improvement or activities. So bring yourself and bring you ideas to the next community meeting. Help us to make and keep our community a place to be proud of.
