December 2004

Message from President

Let me talk about the year we've had. WOW, I think we all should be proud. Through all the devastation of Isabel, all the construction and rebuilding, we haven't missed a beat. We continue to have our community meetings, we had and/or participated in the Easter Egg Hunt, National Night Out, Family Day, Halloween Party for the kids and a Christmas Party. We've fulfilled three of our applied grant requirements. The first being our message sign, the second was family day 2004 and the third is the replacement of our lost Association equipment as a result of Isabel. We were able to order and re-order community merchandise and have sold over 4 dozen beach towels through-out the year. Currently we have a fourth grant being considered, which if approved will be used to replace our entrance sign and garden. We also have built our membership up to 133 members, and continue to increase support from not only our residents and businesses but from our surrounding communities, elected officials, and numerous county and state level departments, such as public works, and D.N.R. I hope you all are as proud as I am of us. We've done one heck of a job. Keep up the good work and let's see what we can accomplish next year.

Great things happen when you stay focused, keep an open mind, and work together.

- Service learning hours
- Code enforcement issues
- Community Participation

Millers Island Community Christmas Celebration

Clear your calendars the date has been chosen. Our Community Christmas Celebration will take place on Tuesday, December 14th. Starting at 6:00 PM at our playground with a Christmas Tree lighting and immediately following, our party will be at the Dock of the Bay. This is a true Community party as all attendees are asked to bring a covered dish of their choice, for a good old fashion Christmas buffet. The event is free, children are invited all you have to do is bring a dish and purchase whatever beverages you drink.

Millers Island Message Board

Community
Message Board

FINALLY, this project is complete. The message board is located inside the playground area. It is a two sided sign with the parking lot side devoted to the community association the playground side being offered to our Millers Island businesses and residents. This side of the sign you can post your business cards, items for sale, lost pet etc. Millers Island businesses can post special events and/or their menus or service offered. This is truly a community message board. If you want to post something on the board please submit your request by the second Tuesday of the month to the association. All approved requests will be posted on the second Saturday of the month, weather permitting. You can either mail your request to our P.O. Box, drop it off at the drop off box located at 8922 Hinton Ave., outer shed wall, email it to me at rpo47@erols.com or bring it with you at the community meeting. The board is for all of us to use and enjoy and I hope you all like it.

Let's keep it safe through these holidays.....

Holidays are a time for family, friends, parties and usually drinking. If your going to drink please don't drive, and if your at a party and you see one of your friends or family members having just a little too much fun to include maybe that one to many, step up and be that friend or family member that tells them not to drive. Offer them a ride home, call them a cab or offer to let them spend the night. Remember as awkward as this may be for you to do, it won't be as awkward as visiting them in the hospital or learning that they've been arrested for D.W.I. or worse. So, with all that being said, let's keep the holidays joyous, happy and fun. If your going to drink, please don't drive.

CALENDAR OF EVENTS

November's meeting cancelled due to Elections
