President's Letter

I'd like to take this time to thank everyone that assisted in the Community Halloween Party. This party was very successful and all the children and adults had a very nice time. Donna and Mike from the White Swan came through once again showing community spirit as well as the Millers Island Community Association and the Millers Island residents that donated towards this event. None of us can do these things on our own and it is team work like this that will enable us in having community events. Our next community event will be our Winter Holiday Celebration. I've worked with Sparrows Point H.S music department and Northpoint/Edgemere Vol. Fire dept. to put together a nice small scale Winter Holiday Celebration. The celebration will be held outside at the tot-lot. We will have a Christmas Tree Lighting, a special visit from Santa Claus, and possibly a small ensemble of music from the Sparrows Point H.S. Choir and/or band. This portion of the festivities have not been totally worked out at this time. However, the celebration should be a very nice event. Bring your cameras and get your little ones with a picture of Santa, and bundle up (this is an outside event.) Holiday Flyers will be sent door to door to remind you of this event.

Final Reading voting and accepting of the By-Laws

Well we had our third and final reading of the Proposed By-Laws and we finally got the proposed By-Laws accepted and voted in. During our March membership renewal each member will receive a copy of the new By-Laws. This was a long time coming but something that was very necessary in the Association becoming credible and having a policy to govern us.
