President's Letter

May is the month we have our nominations for the up-coming elections. Anyone wishing to run for any of the positions are urged to submit their name and the position they are running for at May's community meeting. If interested in running for a position on the board you may contact our nominations chairperson: Frank Lamka at (410) . Or you may place your info in the community mail box located at 8922 Hinton Ave. You must be nominated at the May's meeting. Nomination will be closed after this meeting and the elections will be held at the June's meeting. This years elections, the officers position is for 1 year and the board member positions are for 2 years. We will have elections every year but for only half the board. This will ensure that we never have a complete new board, there will always be past members to assist in the procedures, etc of our association.

Remember if you are interested in joining a committee please contact any of our board members. We welcome new people and new ideas.

Also let us know if your children are interested in the Millers Island Community Day poster contest. Contact Sharon & Terry Kline (410) 477-0970

Don't forget Mom on this special day.

Millers Island Community Clean Up

Hopefully you have noticed. We had one great big community clean up day on April 3, 2004. Once again Baltimore County was its spectacular self and volunteers from near and far came out to help us to clean up our community. Dock of the Bay supported this event along with donations from Greshbecks and other volunteers. It was one dirty job, and one that was seriously needed. There is still more to do and I hope that each of us can assist in the continued effort to keep our community clean. If each of us can keep our own area and properties tidy our community in a whole will have a much nicer appearance. I know a lot of us are still trying to recover from Tropical Storm Isabel but we do need to make an effort to tidy up a bit. County inspectors will be making numerous trips throughout our community and leniency is something that is being practiced, however there will come a time where it will be expected that your properties be properly maintained. The last thing any of us need at this point are code violations for untidy properties. Thanks for your cooperation.

Board of Directors:

Officers:

President: Bernice Myer
V. Pres: Kay Sessa
Secretary: Bob Lynd
Treasurer: Joan Durkin
Sgt. At Arms: Frank Lamka

Board Members:

Richard Kowalewski
Heather Imirie
Luke Reeder
Allan Godlewski
Sharon Kline

Special points of interest:

- Millers Island Clean-up
- Community Grant obtained
- Community Casino Night at The Dock of The Bay

Community Grant Obtained

In November 2003 I applied for a grant from Balto. County Community Conservation. The grant was for money to replace our community property. The copy machine and other office supplies, and membership cards etc. The grant was approved and the check has been received. All of the Associations administrative supplies will be replaced.

Community Merchandise COMMUNITY CASINO NIGHT

Our merchandise committee needs your input. We want to order new merchandise but we would like to know what it is you would like. We've heard you would like Isabel shirts. They are in the making and we will let you know when they are available. As it pertains to community merchandise; what color shirts would you like, do you want more hats? Would you like tank tops this year. This is the kind of stuff we need to know. If not we will order what we think you want, but hey why guess, just tell us what you want.

The Millers Island Community Association is in the process of organizing our first Community Casino Night. We are tentatively scheduling this event for sometime in the month of May. It will be held at the Dock of the Bay. All other particulars are being worked out at this time. As the event details become available I will pass the information on to you. I'm sure this event will be adequately advertised. Anyone wishing to assist in this event is asked to contact Bob Lynd at (410) 388-0176.

REGULAR COMMUNITY MAINTENANCE

I haven't forgotten about our regular community up-keep concerns. Such as the storm drains, 3rd Street canal, debris on the main road etc. I'm also aware of the speeding concerns. As soon as some of the major construction concludes in our community I will contact Balto. Co. Public Works about the storm drains. They are aware of the situation with the storm drains. As for the speeding, we can not have speed bumps installed. This arguments goes back and forth and the County will not allow speed bumps on county owned roads, Hinton, Cuckold Point, Chesapeake Ave and Millers Island Blvd and Millers Island Rd are all county owned roadways. As for 3rd Street canal I have been in contact with the county and I'm asking them what they can do with this eye-sore. So far I've been told what they can't do with it so now I'm asking them what they can do with the 3rd St. canal. Just wanted to let you know I haven't forgotten about these issues.
