### PRESIDENT'S LETTER

Well, as your newly elected President I've been very very busy and there still is a lot of work to do. The board and myself are working very hard to accomplish the tasks before us. We hope to get the administrative tasks complete as soon as possible. We will be revamping our membership records so please work with us. All members are asked to please complete a membership form and verify if your membership is paid. We will also be creating an email list. If you have an email account please furnish your address to us. This will enable us to email you with important information, updates, etc. This information furnished is for the purpose of the Association and is not shared or given to anyone else. Your cooperation is greatly appreciated.

Bernice Myer  
President
