

Lynch Point Improvement Association

August 2002 Newsletter

We hope you are having a great summer in spite of the drought. Remember, mandatory water restrictions are in place. Please conserve water as much as possible.

A donation drive is underway to raise money for the new playset being planned for the playground. Cost is \$20,000 - \$35,000 depending on the selected design. Corporate donations of \$1,000 or more and family donation of \$250 or more will be recognized on a sign to be permanently erected at the playground. In addition to the \$10,000 grant from Baltimore County, we have already had several donations. Please be generous. Send your donations to Lynch Point Improvement Association – 7215 River Drive Road, Balto., MD 21219.

We would again like to thank everyone who helped us put a new roof on the clubhouse. We would especially like to thank Joe Michalski for donating the shingles and all the volunteers for supplying the know-how and muscle.

We are having a 50-50. The tickets are \$2 a piece or ten for \$15. Please fill out the tickets (name, phone, and address on back of ticket please) and send them with your check or money order to – LPIA, 7215 River Drive Road, Balto., MD 21219. The drawing will take place during the October meeting. Please return all tickets and money no later than October 3rd, 2002.

Community property taxes of approx \$200 will soon be paid. In addition, grass cutting has cost \$2,550 so far this year. Additional expenses (BGE, water, etc) are paid regularly. Please be generous during the donation drive and fundraisers.

We will again start to have regular meeting in September. More information will be forthcoming on the time and place.

A community clean-up is scheduled for Saturday morning, September 28, 2002. The dumpsters arrive early in the morning and fill up quickly. More details to follow.

We hope to see you at our next meeting. We will discuss fundraisers for the next year and plan for community improvements.
