

# Lynch Point Improvement Association

## April 2004 Newsletter

- 1. Annual donation drive update.** The donation drive is underway and the response so far has been far less than previous years. We have had 54 donations thus far and have collected about 50% of our annual operating budget. This community has more than 300 homes. Please be as generous as possible and many thanks to those families that have already contributed.
- 2. Playground update.** The playground is finished. Some minor landscaping will still be needed, but it looks beautiful. If you haven't seen it, stop by. Chances are some of the children in the community will be using it!
- 3. Ballfield update.** The contract to replace the backstop on the baseball field will soon be signed. This is another step in our efforts to improve our community property.
- 4. Notice.** If you see someone vandalizing property or misusing community property, please call the police. Everyone has a responsibility to protect our neighborhood.

Thanks for your support and together we can keep Lynch Point a beautiful and vibrant part of the North Point Peninsula.
