

# LYNCH POINT IMPROVEMENT ASSOCIATION

## ANNUAL DONATION DRIVE – MARCH, 2005

### ANNUAL DONATION DRIVE:

It's March of 2005 and Spring will soon be here. March is an important time of year for the Lynch Point Community as it is the Lynch Point Improvement Association's (LPIA) Annual Donation Drive.

As discussed during our February 8, 2005 community meeting, the Annual Donation Drive is the **most important fundraiser** for the Lynch Point Community. Most, if not all, of our money in the past has been raised during this fundraiser.

It is **CRITICAL** that each family in Lynch Point donate as much as they can during this donation drive as this money will be needed for year round grass cutting of the ball field and playground, electric, water and for other repairs. The Lynch Point ball field and playground belong to YOU. But we need your financial support to maintain these properties in a manner that can be enjoyed by all.

The LPIA and each family in Lynch Point thanks you in advance for your donation. Donations are tax deductible and receipts will be provided upon request.

Please make your checks payable to Lynch Point Improvement Association and send them to: 7215 River Drive Road, Baltimore, MD 21219.

### OTHER NEWS:

During our February 8, 2005 meeting it was decided to have a community meeting every other month, if possible. The next meeting will be held on April 12<sup>th</sup> at the Edgemere Senior Center at 7:00 p.m.

The LPIA has arranged for dumpsters to be delivered on June 25<sup>th</sup> for our annual Spring cleaning. More information will be included in future newsletters.

The LPIA is working on putting up PRIVATE signs on the ballfield and playground. These signs are needed for liability purposes and will prohibit the use of motorized vehicles on the properties and close the properties at dark.

And lastly, please check our web page when you get a moment. You will find interesting information about Lynch Point and our newsletters. The website address is:
